01 / FLEET OVERVIEW

Our plant and equipment.

Damarc Civil owns and operates the plant listed in this document. The fleet covers **dual and tri-gauge hi-rail excavators and dumpers, GPS-guided earthmoving plant**, support vehicles and a large range of rail and civil attachments — allowing us to self-perform track, drainage and civil works without relying on hired plant.

EQUIPMENT INDEX

01 — HI-RAIL PLANT

Liebherr 922 Rail	22t Hi-rail (Dual gauge)	03
Hitachi ZX135US	15t Hi-rail (Tri gauge)	03
Hydrema 912	10t hi-rail (Dual gauge)	03
Volvo ECR88	8t Hi-rail (Dual gauge)	03

02 — EARTHMOVING & EXCAVATION

Caterpillar 336	36t Excavator (Trimble 3D earthworks GPS)	04
Hitachi 175W	17t wheeled excavator (Trimble 3D earthworks GPS)	04
Volvo L90	16t Loader	04
Case CX145	14t Excavator (Trimble 3D earthworks GPS)	04
Hitachi ZX65	6.5t excavator	04
Bobcat	3.5t Posi Track	04

03 — FLEET & SUPPORT VEHICLES

Mitsubishi Canter	4t crew cab truck	05
Isuzu	Car license tipper's	05
Work utes	Mine spec/ Civil spec work ute's	05
Ford Transit	Tool van's including fuel, breakdown repair & pipelaying ancillaries	05

04 — ATTACHMENTS

Rail attachments	Octopus · Undercutter bar · Rail grab · Tamping head · Heavy duty rail threaders · Large or small rail trailers · Rail cracker · Rail de-clipper · Rail broom	06
Civil attachments	Mulcher · Concrete kibble · Augur drive · EMV · Magnet · Spreader bar · Road sweeper, Forks, Rock Breaker, Sleeper grabs, various bucket selections	07

Including but not limited to. The attachment range shown in Section 04 is indicative — additional heads, buckets and rail ancillaries are available on request.
